Club Car

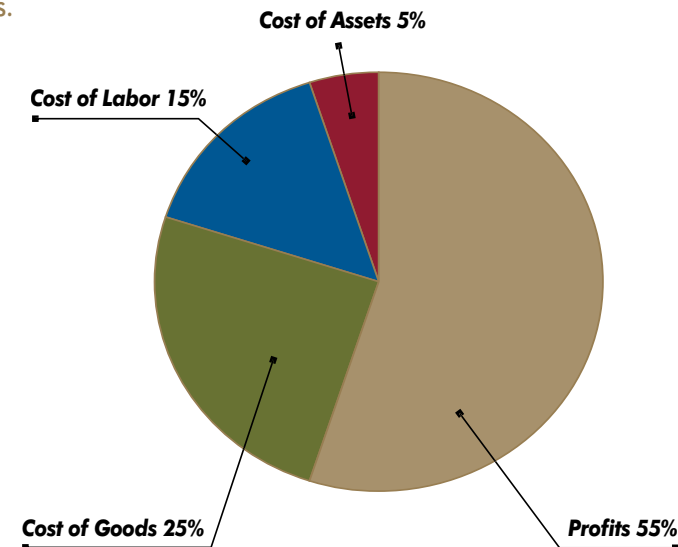

Mobile Merchandising

Reach your customers. And your full potential.

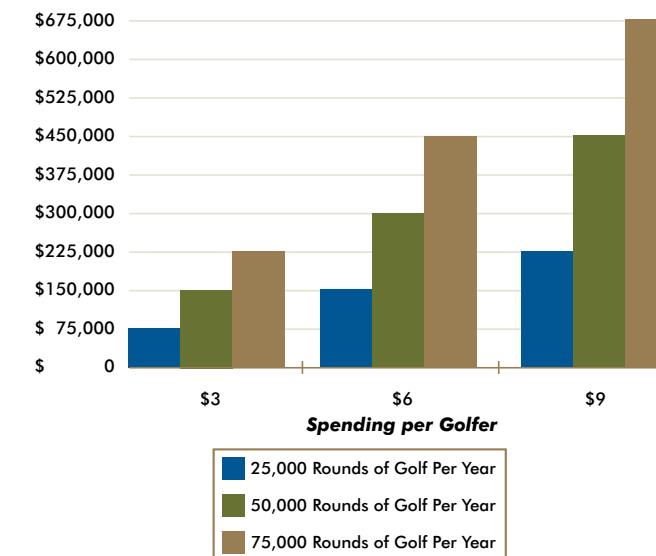

To you, golf isn't just a game, it's a business. And to elevate the success of your business, you need to think beyond the clubhouse. With our full line of Mobile Merchandising Solutions, Club Car can help you uncover a whole new realm of profit opportunities. Our food and beverage vehicles not only leave a positive impression on your customers, they also create a powerful impact on your bottom line. Taking your business to heights you've never thought possible. Club Car has always been committed to putting course owners in a position to win. We believe our mobile merchandising solutions are yet another example of that. With the right equipment, the right merchandise and the right staff, Club Car can help transform your golf course into a gold mine.

Course owners realize an average profit of 55% through food and beverage vehicle sales.

Profit and Revenue Impact*

What do your golfers spend per round? Up-selling a customer to a \$9 purchase from a \$3 purchase can mean a \$300,000 annual increase in sales.

Imagine the Possibilities.

Food and beverage vehicle product line:

Café Express Deluxe
For 25,000 or more rounds of golf per year

Café Express
For 25,000 or fewer rounds of golf per year

Portable Refreshment Center
For 10,000 or fewer rounds of golf per year

A driven sales force.

Club Car

Don't let a few hundred yards stand between you and a higher profit margin. Make the most of your sales opportunity with the only midsize food and beverage vehicle in the industry: The Café Express Deluxe. It offers greater strength and load capacity. So you can spend less time restocking, and more time out on the course making sales. Along with a superior vehicle, Club Car offers a Mobile Merchandising Training Program designed to help you reach your customers and your full potential.

Standard Features

- Power over hills with a 13 horsepower gasoline engine
- Drains and trash bins in rear of car; rust-free aluminum and stainless steel construction (meets NSF standards)

- Attractive, durable canopy in five standard colors; custom colors available
- High-impact acrylic windshield
- Electric lift for easy maintenance access

- Common-key locks on all doors and bins
- 3.3 cubic feet of consumable ice storage
- 16.5 cubic feet of cold storage space with in-wall foam insulation

Options Not Pictured

- 3- or 4-bottle caddy
- 5-panel rearview mirror

Accessories

Food warmer — Keeps food hot for hours so you can offer your customers something more substantial (and profitable) to go with that bag of chips.

Hot Box — Stainless steel electric unit ideal for carrying hot food items. The hot box keeps things nice and toasty while you're on the go.

Beverage container — Keep beverages cold or hot and your customers satisfied with this convenient accessory.

Air pot — Early morning range customers will be standing in line for a hot cup of coffee.

Humidor — Cigars are a great high-margin, impulse sale.

Cash drawer — The tool to properly manage your cash.

Motion Wireless™ POS system — Opens new and recurring revenue streams by accepting debit and credit cards on the course.

For more information visit www.motionwireless.ca or call 1-800-624-2781.

Hunger doesn't always wait for the turn.

Club Car

Hunger and thirst can strike any player, anytime, anywhere. Your course is rich with merchandising opportunities. The Café Express helps you capitalize on each and every one of them. With strong, consistent performance and a number of helpful standard features, you can satisfy virtually any customer need from tee to green. For stronger results, The Café Express comes complete with a Mobile Merchandising Training Program to help steer your business in the right direction.

Food warmer — Keeps food hot for hours so you can offer your customers something more substantial (and profitable) to go with that bag of chips.

Hot Box — Stainless steel electric unit ideal for carrying hot food items. The hot box keeps things nice and toasty while you're on the go.

Golf Cars

The leadership of Club Car. Nowhere is it more apparent than in our latest line of golf cars. From the technological advancements and rich, good looks of the Precedent to the legendary DS Player, we set the standard for the industry. With advanced features like hand-held diagnostics and the industry's first 4-battery, 48 volt power plant, Club Car golf cars deliver style, performance and advanced technologies to your course.

Turf Utility Vehicles

Just as you'd expect from a global leader, Club Car features a complete range of rugged, reliable Turf Utility Vehicles. From economical, dependable turf vehicles like the Turf 1, to the Turf 6 with its extended bed, Club Car has the solution for you. And discover the quiet efficiency of Club Car's revolutionary IQ Plus System, available on selected electric models.

Ingersoll Rand Financial Services

Trust Ingersoll Rand Financial Services to provide unmatched expertise — and customized solutions — to meet your financing and leasing needs.

Genuine Club Car Parts, Accessories & Service

Every Club Car vehicle is the sum of its quality parts. To maximize the value of your vehicle — and to keep it properly maintained — it pays to use Genuine Club Car Parts and Accessories. All Genuine Club Car Parts and Accessories are precision-crafted to our strict specifications, and are the same as your vehicle's original components.

Transportation Vehicles

Keeping customers happy and comfortable is the sign of a good host. That's why so many golf operations choose Club Car Transportation Vehicles. With Club Car, you're assured of an efficient, dependable transportation vehicle with the power and capability to handle any job. And you'll be transporting your guests in style and comfort. Our full line includes 4, 6 and 8-passenger vehicles, all with plenty of cargo room. It pays to enhance your image — and ensure customer satisfaction — with the help of Club Car.

Custom Solutions

Our Custom Solutions department tailors vehicles for all types of customer applications every day. Numerous offerings are currently available. If you have a specific request, ask your dealer about making your next Club Car a Custom Solution. If you can imagine it, our Custom Solutions professionals can build it.
